Discussion topics

Feed back from crit2

Questionnaire

Traffic monitoring

Conclusions

1.	This week we will divide into teams of two and conduct our questionnaire also on Tuesday we need to count traffic during rush hour.
2.	Feedback from crit was positive but we need to be clearer on what the “engineering” aspect of our project is.
3.	Derek and Leanne have been to the stats building where the head of dept. read over our questionnaire and gave us some good feedback.
4.	Roy has had replies from Greenpeace and Friends of the Earth both said they have not worked on transport issues for some time.
5.	Leanne has spoken to the enviro. council, and they have passed our request for info. onto the city Enviro. health officer from Council
